Fundraising for Cure Parkinson's Trust

13th May 2016

The "Mad Hatter's Tea Party" fundraising event held for Cure Parkinson's Trust on 13th May 2016 raised an amazing £5,770 for the charity. Alongside a hat fashion show, a designer millinery talk, and a themed "tea and fizz", the hats created by our members were displayed and winners voted upon. Congratulations go to Rosemary and Steve for organising a fun competition for such a worthy cause, and many thanks to all who took part with stunning success.

The hats were brought back to the CETG meeting on 13th June where members held a secret ballot to choose their three favourite hats. The winners were:

- 1st - Sally Dinning
- 2nd - Janet Edmonds
- 3rd - Lynne Dixon

Pictures of all entries displayed at the meeting are shown below. To paraphrase the words of the Dodo at the end of the caucus race in Alice in Wonderland; "Everybody was good enough to win and all deserved prizes".
